

ARE YOU AN ADMIRER OF ORGANS AND ORGAN MUSIC?

You are invited to join the **AmiGOs**: Friends of the organ and the American Guild of Organists. Your gift will support the work of the national organization and a local chapter that you designate.

The mission of the American Guild of Organists is:

To promote the organ in its historic and evolving roles: Both sacred and secular, from all time periods and national schools, with an emphasis on American organs, organ builders, and organ music; by commissioning new works for the organ and sponsoring composition competitions; and by recognizing lifetime achievement with awards to composers who have made major contributions to the organ repertoire.

To encourage excellence in the performance of organ and choral music: By sponsoring both solo and ensemble concerts of organ, choral, and orchestral music; by holding performance competitions for young organists; and by maintaining high professional standards in organ performance and sacred music by working with seminaries and institutions of higher education as well as religious organizations.

To provide a forum for mutual support, inspiration, education, and certification of Guild members: Through THE AMERICAN ORGANIST Magazine and at regional and national conventions; by providing educational opportunities for young people at Pipe Organ Encounters and continuing education for organists at pedagogy conferences focusing on the organ and sacred music; and by offering certification examinations for organists and choral conductors.

You are invited to join the ranks of the AmiGOs.

Please enclose your tax-deductible contribution or contribute online at www.agohq.org. Make checks payable to the AGO. All contributions will be recognized in THE AMERICAN ORGANIST Magazine.

American Guild of Organists

YES! Enclosed is a tax-deductible contribution of \$ _____ to the AmiGOs Program.
