

and suggestions of Shannon Gallier. His input and advocacy allowed us to expand our vision for the organ and provided the necessary support from the congregation to make these additions possible. We are thrilled to be a part of the fabric of St. James's liturgical life as it continues to grow and develop.

Jason Overall serves as design consultant for Goulding & Wood, coordinating details of new projects with clients and providing ongoing support for installations throughout the country.

Photos by Shelby Lewis, except where noted.
