The pipes are calling once again, with patriotic music at Merrill

Live in-person organ music returns to Merrill

As part of our *Kotzschmar 4 Kids* education outreach, The Friends of the Kotzschmar Organ (FOKO) is pleased to present this curriculum based on the life and music of Olivier Messiaen (1908-1992).

***Exploring Music with the Pipe Organ: Olivier Messiaen Comes to Visit*** is the product of ten years of active in-classroom teaching. We offer this lesson plan as a teacher resource to be used in the classroom. For additional information about FOKO education programs please contact us at [info@foko.org](mailto:info@foko.org).
