# Summer Newsletter

See You Soon!

The National Convention of the American Guild of Organists is held biennially in even-numbered years and reflects the diverse aspects of the Guild and its official work across the country.

This year's upcoming convention will be in San Francisco from June 30-July 4, 2024.

We especially call your attention to Janette Fishell's St. Cecilia Series Recital at the convention. Kudos to the San Francisco Convention Committee for choosing a woman organist as the soloist this year -- the first woman in an endowed series named for a woman, and funded by a woman, in the 30+ years of its existence. It will take place on Wednesday, July 3rd 8:00-9:30pm at St. Mary's Cathedral. And be sure to join us for a workshop being given by the Task Force for Gender Equity and the Society for Women Organists called "The Growing Sisterhood of Organists" on Tuesday, July 2nd from 10:00 AM to 10:45 AM. We hope to see you there!

Our newsletter will resume in August with planning resources.

Have a great summer!
